

Dear Parents

We are so excited that your child will be joining us for our incredible D24 Camp sessions this summer! A fun-filled week awaits us, and we know that God has so much in store for us. Each day will be packed with fun and meaningful activities that will allow campers to explore God's creation, while making new friends and making lifelong memories!

Attached is a brief packing list for the week as well as directions to the camp, and emergency contact information. Be sure you have completed all necessary forms online, and made *at least* the minimum deposit due to complete your registration. Any remaining payment due must be paid at the time of check-in.

Feel free to contact me with any questions you may have at my e-mail address listed below. Our team is looking forward to seeing you soon!

Impacting Lives,

Bekah Lawson

Registrar

### Emergency Contact:

If you need to reach camp personnel during camp to communicate a pick-up change, etc, please e-mail [info@campgideon.com](mailto:info@campgideon.com) and we will respond promptly. If it is a true emergency, you may reach our camp director, Robin on her cell phone at: 770-262-7471. Please understand that we are away from our office during camps, therefore you may experience a delay in response to any messages left on our main line.

## Reminders + Guidelines:

- **A security gate** is located at the camp entrance. For your child's safety, the gate will be closed during camp hours and will open only for arrival and pick-up. If you need to pick up your child outside of these hours, please let us know in advance and we will make sure the gate is open for you.
- **Dress code:** We ask that all campers and staff observe our modesty rule by NOT wearing any of the following: string tank tops, belly shirts, short shorts, or any other revealing garment. Modest swimsuits are encouraged and should be worn daily under your child's clothing. Be sure your child wears comfortable, closed-toe shoes, as campers do a lot of walking during the camp day! Sandals, flip-flops and new shoes are not recommended.
- **Lost + Found** will be located in a box at the picnic pavilion at the end of camp. If you arrive home and find that you are missing an item, please let our staff know via e-mail and we will attempt to locate it for you, and schedule a time for pick-up. Lost and found is donated after 30 days.
- **Sick child policy:** In regards to the health and safety of all our campers and staff, we cannot admit a camper with signs of rash, head lice, runny nose or fever. If your child becomes ill, please allow them 24 hours of symptom free behavior before returning to camp. We do not provide any refunds or make-up days for sickness.
- **The camp store** will be open daily during various times. Drinks, snacks, t-shirts and other items will be available for purchase. All camp store money should be deposited at check-in in the store. This money will go into an account with your child's name, preventing the risk of campers losing their money prior to free time. Any remaining balance at the end of the camp will be returned in the camp store during pick-up. If money is not picked up from the store then it is donated to our camper scholarship fund.
- **Rooms** are decided before the camp begins and it is extremely difficult to move campers once camp begins. Please put your roommate requests on your registration form and we will do our best to comply. The teams are separated by age so if the campers ages are too far apart then we cannot approve the request.
