- **A security gate** is located at the camp entrance. For your child's safety, the gate will be closed during camp hours and will open only for arrival and pick-up. If you need to pick up your child outside of these hours, please let us know in advance and we will make sure the gate is open for you. **If late you will be allowed up 2 late entries a week, 5 total for the summer before you will no longer be permitted to enter late.**
- **Arrival time:** check-in begins at 9 am. Please make every effort to bring your child on time!
- **Pick-up time:** afternoon carpool begins at 3pm and runs until 3:15. We cannot release children to anyone other than their parent or guardian. If someone other than yourself is picking up your child, please note this on your registration form or send a permission note.
- **Lunch is NOT provided.** Please remember to send a lunch with a cold drink! Campers sit in teams during lunch under the pavilion so we do ask that each camper has their own lunch container. Everyone is under the pavilion at the same time however so they will be able to see their siblings to get lunch if needed.
- A Red, yellow or green ID bracelet will be given to notify staff, lifeguards, leadership of your child's swim level. A red band may also be issued if your child has a severe allergy. Likewise, a blue band will be issued to notify the photographer if photographs and video of your child should not be taken for privacy/safety reasons (you can notate this on your registration/medical forms). **Please do not remove or allow your child to remove any ID bracelets issued before the end of our time together!**
- **Dress code:** We ask that all campers and staff observe our modesty rule by NOT wearing any of the following: string tank tops, belly shirts, short shorts, or any other revealing garment. Modest swimsuits are encouraged and should be worn daily under your child's clothing. Be sure your child wears comfortable, closed-toe shoes, as campers do a lot of walking during the camp day! Sandals, flip-flops and new shoes are not recommended.
- **Lost + Found** will be located in a box at the picnic pavilion. If you are missing an item, please let our staff know and we will attempt to locate it for you, or you may ask our carpool team to direct you to a parking spot so that you may check for yourself.
- **Sick child policy:** In regards to the health and safety of all our campers and staff, we cannot admit a camper with signs of rash, head lice, runny nose or fever. If your child becomes ill, please allow them 24 hours of symptom free behavior before returning to camp. We do not provide any refunds or make-up days for sickness.
- **The camp store** will be open daily during swim and free time. Drinks, snacks, t-shirts and other items will be available for purchase. All camp store money should be deposited at morning-check-in with our carpool attendant. This money will go into an account with your child's name, preventing the risk of campers losing their money prior to free time. Any remaining balance at the end of the camp week will be returned on the last day of camp. If money is not picked up on the last day of camp it is donated to our camper scholarship fund.
- **Teams** are decided before the camp begins and it is extremely difficult to move campers once camp begins. Please put your teammate requests on your registration form and we will do our best to comply. The teams are separated by age so if the campers ages are too far apart then we cannot approve the request.
